Sir

Revised estimate for the electrification of the Water Supply pumping station at Harihar belonging to Davangere Water Works for Rs 35,600/-

Flag 2' In continuation of this office letter No 174-21 dated 11th October 1942 intimating the despatch of the above revised estimate to the President, Municipal Council, Davangere for countersignature, I have the honor to inform that the same has since been received duly countersigned by the President , Davangere Municipality, with a copy of the resolution of the Municipal Council to the effect that the Government may be requested to meet at least ½ of the extra cost

The work is nearly completed and the report accompanying the estimate furnishes reasons for the excesses under different subheads in the estimate The main reason for the excess is the abnormal rise in the price of machinery and materials required for the work

Flag 3' The excess over the original estimate of Rs 24,975 sanctioned in G O No L 4750-21/M1 48-38-1933 dated 17th November 1939 will have to be met by Government and the Municipality in equal proportions as follows -

Amount of the revised estimate	Rs 35,600
" " original "	Rs 24,975
	10,625
Flag 7' Less amount sanctioned in G O No L 531-35/41 102-41 dated 24-7-41 to be met equally by Govt & the Municipality	2,000
Amount of excess to be contributed (Govt share Rs 4312½ & Municipal share Rs 4312½)	8,625

I request you to be so good as to obtain and convey sanction of Government to the revised estimate and to the Government contribution of Rs 4312½ out of Water Supply Grant during the current year

A copy of Sanitary Engineer's letter No 348 dated 21-9-1942 in the matter is enclosed
